§ 202.21 Purpose and scope.

(a) This subpart sets forth the procedures to be followed when a subpoena, order, or other demand (hereinafter referred to as a “demand”) of a court or other authority is issued for the production or disclosure of (1) any material contained in the files of the Department of Energy (DOE), (2) any information relating to material contained in the files of the DOE, or (3) any information or material acquired by any person while such person was an employee of the DOE as a part of the

performance of his official duties or because of his official status.

(b) For purposes of this subpart, the term “Employee of the DOE” includes all officers and employees of the United States appointed by, or subject to the supervision, jurisdiction, or control of, the Administrator of DOE.

§ 202.22 Production or disclosure prohibited unless approved by appropriate DOE official.

No employee or former employee of the DOE shall, in response to a demand of a court or other authority, produce any material contained in the file of the DOE or disclose any information relating to material contained in the files of the DOE, or disclose any information or produce any material acquired as part of the performance of his official duties or because of his official status without prior approval of the General Counsel of DOE.

The Regional Counsel shall immediately request instructions from the General Counsel of DOE.

(b) If oral testimony is sought by the demand, an affidavit, or, if that is not feasible, a statement by the party seeking the testimony or his attorney, setting forth a summary of the testimony desired, must be furnished for submission by the Regional Counsel to the General Counsel.

§ 202.24 Final action by the appropriate DOE official.

If the General Counsel approves a demand for the production of material or disclosure of information, he shall so notify the Regional Counsel and such other persons as circumstances may warrant.
